Dear Jiwon,
TBM confirmed output 50-55 pcs/day. CHF4MPT6444 can be ready for ETD 10/24 by sea.
Please confirm if the new ETD is acceptable.
Best regards, Minh

Hi Minh, CHF4MPT6444 is already past ETD 10/07. What is the latest ready date?
We need the shipment before RDD. Thanks, Jiwon
